SSC's Covid Policy Protocol for Bus Trips

Suburban Ski Club wants to conduct bus trips in a safe and responsible manner, and we will follow our club's Covid Policy adopted by the Executive Board which includes proof of vaccination or a recent negative covid test in order to participate in club events.

Since social distancing is not possible on a bus, we require that all bus riders wear face masks. We know that some members are uncomfortable with masks or simply don't want to wear them. However, we are asking you to please respect your fellow members by following this policy on the bus.

In addition, if you do not feel well, are coughing or could have possibly been exposed to someone with Covid (or have the flu or a cold), Please, don't come on the bus.
