Snow Basin:

- Established in 1940, Snowbasin is one of the oldest continually operating ski areas in North America with the most advanced lift system in Utah.
- Snowbasin is a large resort, covering a good selection on varied terrain
- With 3,000 skiable acres and 3,000 vertical feet, this resort is best known for Uncrowded slopes, Wide-Open Bowls, Manicured Groomers, Glades, Powder Stashes, Steep Chutes, and Stunning views.
- It was the site of the Downhill and Super G events for the 2002 Winter Olympics
- Is an Ikon Resort*

Powder Mountain Offers:

- The most skiable terrain of any ski area in the U.S.
 - The 5500 acres include 2800 lift-accessible access
- Snowcat skiing
- Guided tours of Wolf Creek Canyon
- Heli-skiing to ensure that you can find untracked slopes
- Is an Independent Resort* with a maximum 1500-day tickets available to ensure you can enjoy uncrowded skiing.

²Lift Tickets

Lift tickets along with rebates are available through our travel partner: [Winter Ski & Sport](#).

(See Snow Basin/Powder Mtn Trip description on [CSC Website](#) for detailed information on the various lift ticket options).

Fun fact about Historic Old Ogden: During Prohibition, Mobster Al Capone stepped off the train in Ogden and took a stroll down notorious 25th Street, scouting business opportunities. Scarface found prostitutes, drug dealing, thugs, thieves, and card sharks. Today you will find trendy restaurants, gift shops and brew pubs.

¹Base Price does not include Airfare or Lift Tickets
